I'm so hungry.

Me, too. There is no food left in this town.

I'm very sick and I need something to eat.

Lady Elephant, we will find some food for you.

Thank you, dear goats.

Bye-bye, Lady Elephant!

Be careful!

Let's find something to eat.

I'm going to look for some apples.

Over That Long Bridge 1 p. 22

Somewhere over that long bridge,
There is food.

(Repeat)

We are going on this journey,
And we'll bring some back for you.

I'm so hungry. No bananas, no apples.

Where are you going?

We are very hungry.

There is a lot of food on the other side of the bridge.

Lady Elephant is very sick. We are getting food for her.

Take me with you. I want to find some food, too.

Alright!

Over That Long Bridge 2 p. 22

Somewhere over that long bridge,
There is food.

(Repeat)

Delicious and tasty
Food is awaiting us!

Hey, where are you going?

We are so hungry. We are looking for food.

There is a lot of food over that long bridge.

We are getting food for Lady Elephant.

Me, too!

But... I heard... there is a troll living on that long bridge.

A troll?

Yes, a scary troll.

It's very ugly.

It's very big and strong. It likes to eat animals.

What should we do?

This is not good.

Wah! I'm scared.

Hey, rabbits. You're lying, aren't you?

No, we're not! A very dumb troll lives on this bridge.

A very ugly one.

Hey! You just want to go first and get all the food, don't you? I'm going first.

No, don't. It's dangerous.

Wait! Let's go together.

Monkey walks away from the animals.

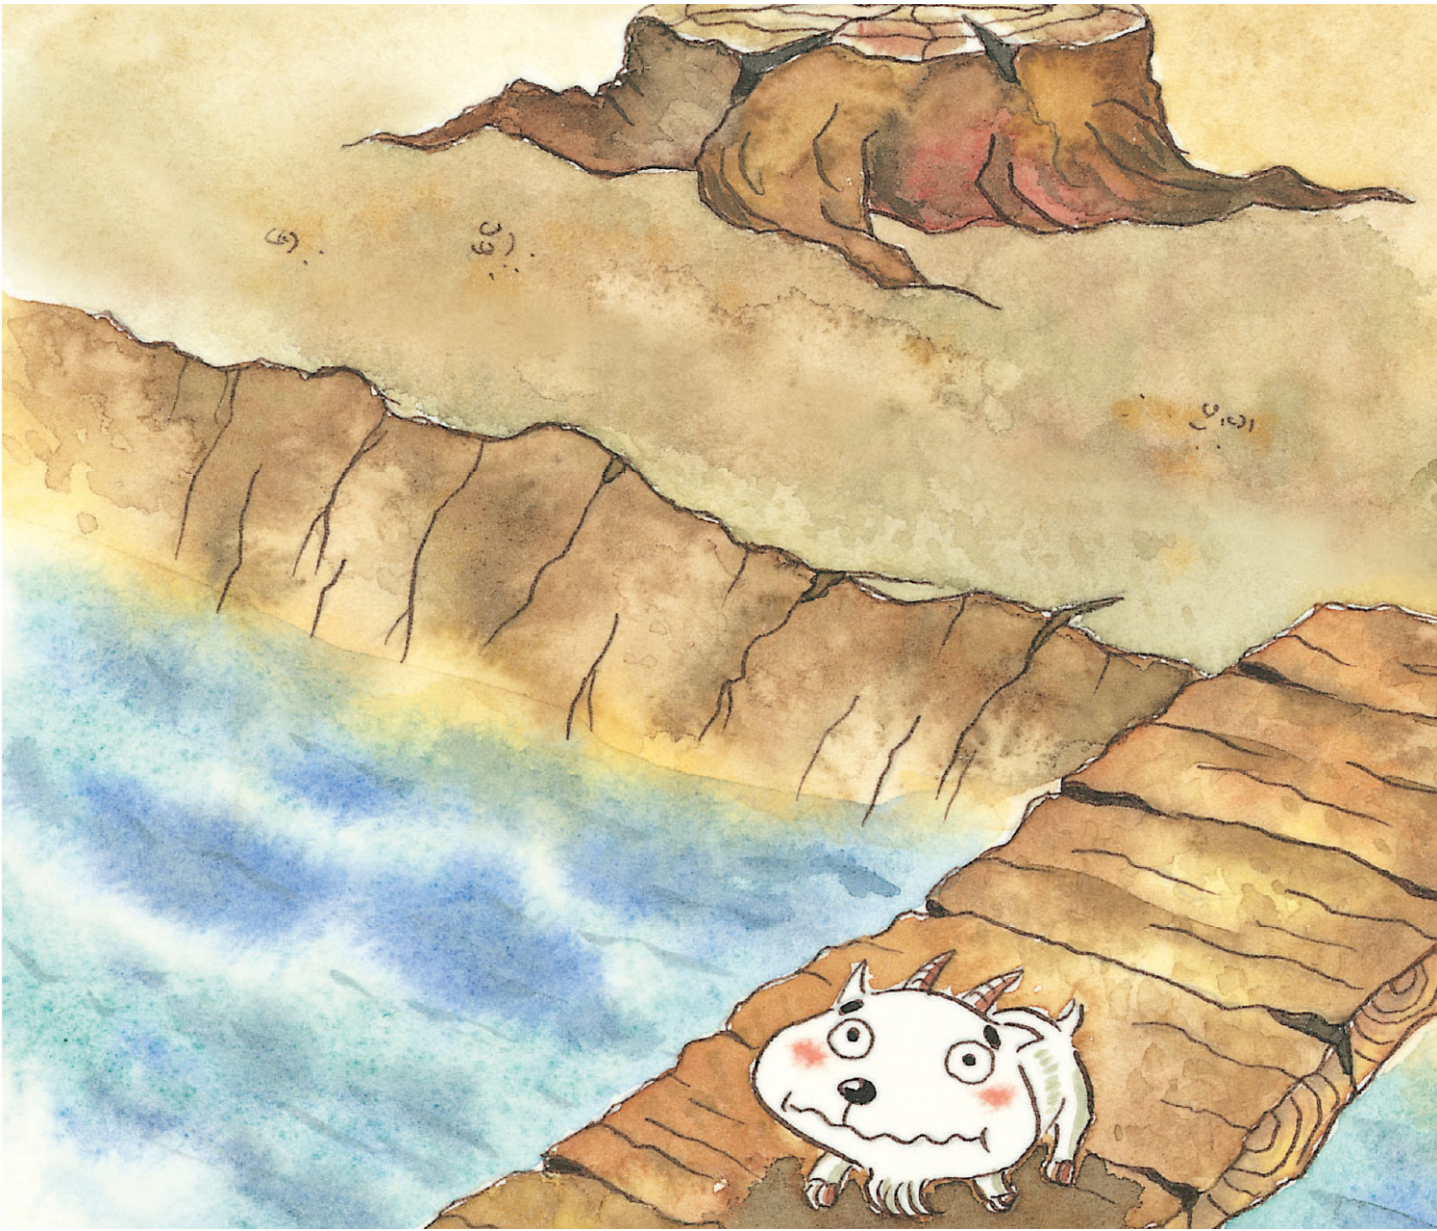

Argh! The troll!

Poor monkey.

He didn't believe us.

Now, what do we do?

I'm scared!

Let's put our heads together. We can trick the troll.

OK. Good luck, guys.

Do you think we can do this?

Yes, we can! Don't worry!

Can We Do This? p.23

Can we do this? Yes, we can! (Repeat)

We can do this together.

Yes, we can! Yes, we can! Yes, we can!

Just like one for another,

All of us hand in hand. Yes, we can!
