Mirror, Mirror on the wall, who's the fairest of them all?

Mmm....

Mirror, Mirror on the wall, who's the fairest of them all?

(changing the subject) Beautiful day, isn't it?

Answer me!

Goodness! Yes, well... of course... you, my queen.

Ah! Ha, ha, ha! Yes, of course, my dear precious mirror.

The second fairest... after Snow White.

What? Snow White?

(in the forest)

I'm very sorry, princess. I have no choice. It's the queen's orders to kill you, so you must run away as far as you can.

I know. Thank you.

Please be well.

Snow White finds a house and enters it.

I'm so hungry!

What's this?

It's porridge!

She breaks the spoon.

Oh, no! I broke the spoon.

But I barely touched it.

Oh, dear! I don't know.

I am so sleepy.

I'll go to sleep.

Three dwarfs enter.

Huh? Who ate my porridge? Who was it?

Huh? Who ate my porridge? Who was it?

Stop imitating me.

Stop imitating me.

Err....

Look at this. My spoon is broken!

It must have been a very strong thief!

A thief?

A thief?

What should we do?

The dwarfs hear a thundering snore.

Huh, what's that sound? Sounds like thunder.

Thunder on such a nice day?

Then what's this sound?

The dwarfs move slowly toward where Snow White is sleeping.

Ack! Someone is sleeping here.

Wow! She is really pretty.

Wow! She is really pretty.

(waking up, noticing the dwarfs and wiping her face with her hands)

Oh, who are you?

I am Dwarf One.

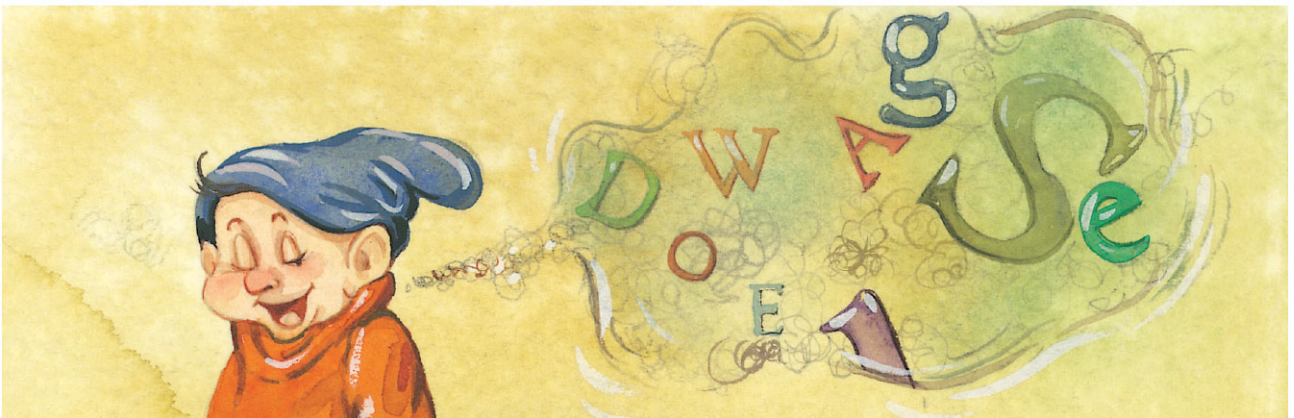

Dwarf 1 p. 26

They call me Dwarf. Dwarf One is my name.
I lift up elephants, and giants just the same!

(Repeat)

They call me Dwarf.

I am Dwarf Two.

Dwarf 2 p. 26

They call me Dwarf. Dwarf Two is OK.
I'm the mimicking rapper, repeating what you say.
They call me Dwarf.

(Repeat)

I am Dwarf Three.

Dwarf 3 p. 27

I am Dwarf Three. I am pretty.
The most handsome of the three,
Dwarf Three, that's me.

(Repeat)

I am the strong dwarf.

I am the mimicking dwarf.

I am the handsome dwarf.

We're the dwarfs!

The dwarfs pause for a while.

But, who are you?

Snow White p. 27

My name is White. White like snow.

Snow White is my name.

My stepmom hates me, so I ran away.

I found this forest, and I have to stay.

 That's so sad.

 That's so sad.

 (staring at Dwarf 2) I told you to stop that!

 Being beautiful is hard. I understand your pain.
I have the same problem, being gorgeous.

Dwarf 1, 2 make gagging sounds.

 Being beautiful is hard. I understand your....

 (turning to Dwarf 2) Stop! Stop! Stop copying!

 You can stay here with us.

 Oh, thank you.
